

**If you or
someone you
know has
small cell lung
cancer, we are
here to help.**

Contact our free HelpLine to talk to our caring and highly trained team who answer your questions, provide support, and connect you with our programs and services.

**1-800-298-2436,
email support@go2.org,
or visit go2.org/smallcell.**

GO2 knows how important it is to have small cell lung cancer (SCLC) resources you can trust. Our programs and services help you:

Connect with others with SCLC for support and understanding.

- Phone Buddy Program
- SCLC Support online community
- Gathering Hope Community Social
- Support Group Network referrals

Hear from experts about SCLC treatments, find clinical trials, and more.

- Living Room Expert Speaker Series
- LungMATCH Program

Learn about SCLC with resources that answer questions and offer hope.

- *Navigating SCLC: 360° of HOPE* handbook
- SCLC booklets, flyers, and videos
- *Your Community* newsletters
- SCLC blog and stories of hope
